

Revista Electrónica de Ingeniería y Aplicación

REIA

The logo for REIA features a stylized wind turbine with three blades in shades of green and yellow. The turbine is positioned centrally, with its base integrated into a blue circuit trace that extends downwards. The letters 'REIA' are rendered in a bold, sans-serif font, with 'R' in dark blue, 'E' in green, 'I' in yellow, and 'A' in dark blue. The background of the entire cover is a light gray with faint, glowing green and blue lines and shapes, suggesting a digital or technological environment. There are also some binary code snippets (01000110101, 01010001011, 11010100110, 10010101) visible in the upper right area.
